

Name: Jennifer Tehan Stanley

Institutional affiliation: University of Akron

Area of specialization: Experimental Psychology, Cognitive Aging, Socioemotional Development

Website (if applicable): www.emotionsandaginglab.com

Brief (1 paragraph) summary of professional interests:

I am interested in social and emotional development across the lifespan.

My research explores whether there are age differences in social judgments such as deceit detection, emotion perception, and humor perception. I am also interested in age differences in emotion regulation, especially instrumental emotion regulation. In addition to exploring age differences in these social and emotional abilities, I further seek to understand the mechanisms and consequences of age-related differences.

Representative publications (no more than five):

Stanley, J. T., & Webster, B. A. (2019). A comparison of the effectiveness of two types of deceit detection training methods in older adults. *Cognitive Research: Principles & Implications*, 4:26.

Stanley, J. T., & Isaacowitz, D. M. (2015). Caring more and knowing more reduces age-related differences in emotion perception. *Psychology and Aging*, 30, 383–395.

Stanley, J. T., Lohani, M., & Isaacowitz, D. M. (2014). Age-related differences in judgments of inappropriate behavior are related to humor style preferences. *Psychology and Aging*, 29, 528–541.

Stanley, J. T., Zhang, X., Fung, H. H., & Isaacowitz, D. M. (2013). Cultural differences in gaze and emotion recognition: Americans contrast more than Chinese. *Emotion*, 13, 36–46.

Isaacowitz, D. M., & Stanley, J. T. (2011). Bringing an ecological perspective to the study of aging and emotion recognition: Past, current, and future methods. *Journal of Nonverbal Behavior*, 35, 261–278.

Representative honors or awards (no more than five):

2018 Early Career Achievement Award, American Psychological Association

2018 Researcher of the Year Award, Ohio Association of Gerontology & Education

2018 Fellow, Gerontological Society of America

Involvement in MPA (e.g., Member since..., fellow, program committee member, gave invited talk, organized symposium, etc.):

- MPA Member since 2013
- 2019 Fellow, Midwestern Psychological Association
- MPA Abstract reviewer since 2017
- Organized MPA Symposium 2018
 - Stanley, J. T., Webster, B. A., Turner, J. R., & Richards, C. J. (April 2018). *Explaining and mitigating age-related differences in social judgments: Overview Talk* [Symposium Chair]. Midwestern Psychological Association, Chicago, IL.
- Served as Chair/Moderator as MPA Session 2015, 2016, 2018
